

This topographic map depicts the Schmira area, situated within the Langer Berg region. The map features a variety of land use zones, including residential areas (red and orange), commercial zones (orange), and green spaces (green). Key infrastructure elements include a railway line (yellow) and a road network (grey). Geographical features such as the Schmira stream (blue) and the Langer Berg (green) are also shown. The map includes numerous labels for specific locations, such as 'Schmira', 'Langer Berg', and 'Schmira'. It also displays various symbols and icons, including a compass rose, a scale bar, and a legend, which provide additional information about the map's content.
